

Barkbusters[®] **HANDGUARDS**

ULTIMATE PROTECTION 2015

EGO

Barkbusters
HANDGUARDS

ENDURO • TRAIL

THE LEGENDARY EGO HANDGUARD

- ✓ The legendary EGO handguard has proven itself as the toughest and most durable handguard on the market.
- ✓ Super strong aluminium backbone is integrated into the replaceable plastic guard to create a strong functional handguard.
- ✓ The EGO's compact design is ideal for Trail and Enduro riders who like tight single line bush riding.

Note: Not suitable for bikes with long clutch and brake levers.

- To hollow handlebar
- Over existing aluminium handguard backbone

BBZ HANDGUARD

CODE	COLOUR
BBZ-001-BK	Black

Barkbusters Handguards are designed with both style and function. Select the mounting option suitable for your bike and combine it with the protection to suit your riding style. Customise your look and level of protection as the seasons change to suit road, adventure, touring and trail conditions.

PERSONALISE YOUR PROTECTION

1 CHOOSE YOUR MOUNTING HARDWARE

TWO POINT HANDLEBAR MOUNTED - UNIVERSAL

Universal aluminium backbone with mounting hardware for straight 22mm (7/8") handlebars or tapered handlebars.

TWO POINT HANDLEBAR MOUNTED - MODEL SPECIFIC

Custom made hardware designed specifically for adventure bikes.

SINGLE POINT HANDLEBAR CLAMP MOUNT

Handlebar clamp mounting hardware for straight 22mm (7/8") or 1 inch handlebars.

SINGLE POINT HANDLEBAR END MOUNT

Handlebar end mounting hardware for hollow handlebars or handlebars with 6mm or 8mm internal threads.

REFER TO APPLICATION CHART TO FIND OUT WHAT FITS YOUR BIKE

2 CHOOSE YOUR PROTECTION

JET

Sleek design with great protection from the elements.

Code: JET-003

VPS

Variable Protection System with adjustable height wind deflectors for even better protection from the elements.

Code: VPS-003

CARBON

Genuine hand laid carbon fibre for style and function.

Code: BCF-003

Storm

Large aerodynamic design deflects wind and rain to provide superior protection from the elements.

Code: STM-003

BBZ

Built for BLIZZARD conditions. Maximum protection with style. Can be mounted independently or over existing Barkbusters Handguard backbones.

Code: BBZ-001

3 CHOOSE YOUR OPTIONAL PARTS

SKID PLATE

Protects the outside edge of the aluminium backbone. (For use with VPS and JET plastics only)

Code: VPS-002

EXTERNAL BAR END WEIGHT

Reduces Handlebar Vibration. Refer to website for bike specific application

Code: B-066
